I am an enthusiastic person, hardworking and keen to learn new skills and develop existing ones. I like working with people and actively enjoy teamwork, and have experience working with large teams in past work experience.

I am a punctual person who has good time management. My main academic interest is Computer Science and I have built and maintained a number of websites. I have also been developing my skills in Javascript over the past few years. I also have a lot of experience in Microsoft and Adobe software. Yet I do also enjoy outdoor activity; have always been keen on fitness and helping others.

## **Education:**

### **GCSE:**

*A\* - Physics, Biology Chemistry, Art, Design Technology, Information Communication Technology, Geography*

*A - English Lit, English Lang, Maths, Astronomy, Religious Education*

### **AS:**

*A - Art, Information Communication Technology*

*D – Maths & Critical Thinking*

### **Alevel:**

*A - Art, Information Communication Technology, Extended Project*

*D - Physics*

### **University (current):**

*Computer Science (Goldsmiths University of London)*

## **Experience:**

I have work experience in a city investment office in London; a large web design company; and a charity organization.

Through charitable work I have spoken at US congress and I have lobbied at UK parliament, both with the goal of raising awareness and funding for type 1 diabetes.

I regularly teach at a roller skating club to providing coaching. I am a keen dinghy sailor and also assist and coach some of the younger sailors.

I have gained bronze and silver Duke of Edinburgh awards and am currently working towards gold. I was a part of the student council for 7 years.
